Heinrich Böll Foundation Reference Sheet for COP 16 Cancun

The Heinrich Böll Foundation is a political foundation affiliated with the German Green Party. Our main tenets are **ecology** and **sustainability**, **democracy** and **human rights**, **self-determination** and **justice**. We place particular emphasis on **gender democracy**, meaning social emancipation and equal rights for women and men. We have been following the **UNFCCC negotiations** for many years with a delegation consisting of staff members and partners from our 28 offices around the world. This Reference Sheet is designed to give an overview of our main experts & contact person on climate policy and COP 16 in Cancun.
