

## Project funding

With their membership fees, the friends and supporters help funding activists and artists, art, cultural and education projects on human rights and the environment. The maximum funding amount is 1500 € – and we want to make a real difference with this amount.

To receive funding from the friends and supporters, please fill in the application form and send it to us via e-mail together with a funding plan. The latter should include details on your overall budget, where you have already applied for or obtained funding, which personal contribution is calculated and the amount of funds you wish to obtain from us. You are most welcome to submit any additional documentation such as project drafts, treatments, CVs or similar information. The attachments may not exceed 4 MB in size.

The application commission always meets on 31 March, 31 August and 30 November. Soon after the applicable date you will hear whether your application has been granted or not.

As a matter of principle, we do not provide funding for requests of the following nature:

- Printing cost support for publication projects
- Cutting and completion costs for film productions
- Stays abroad for school and university students
